## Horoscope Charts

### Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

### Moon Chart

Moon Chart is an important tool of prediction and the results of planetary combinations are more prominent when the yogas or certain combinations happen in both Moon and Lagna Chart.

### Navmansha Chart(D9)

Navmansha Chart is the most important divisional chart, Navmansha means nine part of a particular Rashi in which each Amsa consists of 3 degrees and 20 minutes

| Om Guruputraya Vidmahe Parabrahmane Dheemahi Tanno Guru Prachodayaat ||

You are often very religious and uphold conservative views and have sociable manners. But sometimes the way you talk, it appears as if they are a very formal person. You are very sound of your choices and so you will be well settled in life. You like to travel and visit high-altitude places. You will have very stable relationships and can handle your family very well. You are a teacher and act as an advocate for righteous principles. When your combinations are not favourable you will end up propagating controversies and get into legal troubles

Your boundless optimism and adventurous spirit lead you to explore and seek higher truths.  
You have a strong desire for wisdom and knowledge.

Since the lord of the ascendant, Jupiter is in the 6th house, You shall be involved in professions related to teaching or guidance and even go on to become counselors. They can also become health and fitness experts. You will help the disturbed people in your life and people around you will find great motivation.
