Your thought process keeps changing - as the power of Moon always keeps changing. Sometimes when you have a full moon - you might have a face with large eyes and dark shiny hair. You are fond of dressing in the latest fashion and mostly they are very good looking if the moon is well positioned. You are seen as a graceful person if the moon is well positioned and has good aspects. If moon or the house lord is not well positioned you will be in constant stress. You love to eat sweets and are very vocal about your diet. You are generally caring and emotional.

Your compassionate heart and intuitive nature guide you in forming deep emotional connections. You cherish security and nurturing bonds.

Since the lord of the ascendant, Moon is in the 10th house, You will be a very mentally very strong and a go-getter type of a person. You will be an action-oriented person and will be ready to do whatever it takes to be successful and achieve status in society. You are not too emotional but think with the mind. You will have a strict mother.
