Horoscope Charts

Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

Moon Chart

Moon Chart is an important tool of prediction and the results of planetary combinations are more prominent when the yogas or certain combinations happen in both Moon and Lagna Chart.

Navmansha Chart(D9)

Navmansha Chart is the most important divisional chart, Navmansha means nine part of a particular Rashi in which each Amsa consists of 3 degrees and 20 minutes

You will be known for their research oriented approach. You would go deep-dive in any effort or initiative you take. You will do great in research fields especially in medicine, finance, engineering, teaching, administration, and philosophy. If the ascendant is afflicted, You tend to not be satisfied with anything in life and get irritated because of your dissatisfaction. On the other hand, the Aquarius qualities of saturn can make you are very caring and lucky in all aspects as they get whatever they want in their life.

Your visionary and innovative spirit leads you to challenge norms and seek progressive ideas.
You value intellectual freedom and change.

Since the lord of the ascendant, Saturn is in the 5th house, You will have to face a lot of conflicts in life. You will have a certain number of enemies who will try to cause you harm. You might not be bothered with discipline and structure. You shall have to deal with friendships, teamwork, and hopes. You shall be an outgoing and self-promoting person as well. Your ideas may not work efficiently.
