Horoscope Charts

Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

Moon Chart

Moon Chart is an important tool of prediction and the results of planetary combinations are more prominent when the yogas or certain combinations happen in both Moon and Lagna Chart.

Navmansha Chart(D9)

Navmansha Chart is the most important divisional chart, Navmansha means nine part of a particular Rashi in which each Amsa consists of 3 degrees and 20 minutes

The loyalist and emotional of all everyone, you will be. You will appear youthful at all times. With your strong will, you can win the whole world or destroy it, It's the way you choose. You are natural leaders and are capable of empathizing with your peers. With a bad combination you will have temperament issues with your spouse. You are always curious and would like to know things that others would dare to explore. Sometimes you are weakned by you emotional side

You possess an intense and transformative nature that seeks profound truths and experiences.
You have the power to uncover hidden depths.

Since the lord of the ascendant, Mars is in the 11th house, You shall be a bit confused about working in large organizations as you want to take action in your life and be more inclined towards your friends. You have to increase your circle of friends,
