Horoscope Charts

Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

You are natural leaders and are capable of empathizing with your peers. With a bad combination you will have temperament issues with your spouse. You possess an intense and transformative nature that seeks profound truths and experiences. You have the power to uncover hidden depths.

Since the lord of the ascendant, Mars is in the 4th house, Mars in this house is a signifier of land. You shall be able to acquire parental property with ease. However, if your ascendant lord is Aries then it will debilitate you. It shall create a power struggle with your mother and you will have no private life and no family peace at home.
