You are intelligent and a good communicator. You always want to learn and can excel in the field of maths and sciences. Some of you may annoy your peers with your questions and talkative nature. If your ascendant lord is strong you will be wealthy and hold good positions in various fields, may be private or government. Married life may be disturbed if the seventh house is afflicted or there is no good combination of planets in the birth chart.

Your insatiable curiosity drives you to explore every avenue of knowledge and communication. You thrive in dynamic, intellectual environments.

Since the lord of the ascendant, Mercury is in the 2nd house, You will be calculative towards money and will use family resources to gain more wealth. You shall be very prudent with money and will invest in real estates or in stock markets to gather more wealth.
