This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

Your thought process keeps changing - as the power of Moon always keeps changing. Sometimes when you have a full moon - you might have a face with large eyes and dark shiny hair. You are fond of dressing in the latest fashion and mostly they are very good looking if the moon is well positioned. You are seen as a graceful person if the moon is well positioned and has good aspects. If moon or the house lord is not well positioned you will be in constant stress. You love to eat sweets and are very vocal about your diet. You are generally caring and emotional.

Your compassionate heart and intuitive nature guide you in forming deep emotional connections. You cherish security and nurturing bonds.

Since the lord of the ascendant, Moon is in the 12th house, You shall visit foreign lands but with your mother or due to your mother and will settle down there. You will be the highly imaginative person to the point of a daydreamer. You will find mental peace only in foreign lands. Your mind will be running everywhere and will be business-oriented.
