You look and act mature for your age. You will have harsh experiences that will shape your future. You will be responsible and will be conscientious in your efforts. With the right combinations you will rise up to be the head of an organisation. On the contrary with bad combinations, you will be lazy and procrastinate all your life. The responsible ones will have a family that will be looked up by the society with great respect. The more hardships you face in the initial phases of your life, the more seasoned you will become.

Your disciplined and practical nature drives you to achieve your goals through hard work and perseverance. You value authority and success.

Since the lord of the ascendant, Saturn is in the 1st house, You value discipline and formalities. You are a serious person and a hard worker. You also have to be slow and patient in your efforts to be fruitful. You would like to network with professionals and want to raise your status. Because of this you are innovative and will bounce off many ideas with your peers. You will either be the person who will stay by the rules or be the one who will create new ones.
