You are charming, motivated, fun and would love adventures. You may hold a top position in administrative civil services, police, military, state government or corporate office. You will be a reputed in business and sports. You may be outspoken and straightforward. But might appear non-caring, but that is not the case, you can be the most caring people inside. You can be seen as spendthrift but in reality you are a planned spender.

You possess great ambition and never settle until you achieve the remarkable heights you set for yourself. Money, position, and power hold significant importance for you.

Since the lord of the ascendant, Mars is in the 4th house, Mars in this house is a signifier of land. You shall be able to acquire parental property with ease. However, if your ascendant lord is Aries then it will debilitate you. It shall create a power struggle with your mother and you will have no private life and no family peace at home. You shall be both confused in your home and your career.
